| <p><b>Doporučení pro práci s materiálem</b><br/> Děti si pozorně prohlédnou ústřední obrázek, který jim napoví téma. Následně z každé dvojice textů nebo obrázků vystříhnou a nalepí na čtvrtku ten, který se vztahuje k danému tématu. Doplňují další slova nebo kreslí obrázky k tématu.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
